18 Civ. 5792 (PAE)

ORDER

PAUL A. ENGELMAYER, District Judge:

On August 3, 2021, the Court directed counsel in this case, by August 13, 2021, to propose a suitable design for an evidentiary hearing as to potential remedial plans. Dkt. 162. On August 27, 2021, the Court held a telephonic conference to discuss the next steps in this case, and on September 1, 2021, scheduled the hearing for October 25 and October 29, 2021, Dkt. 166.

To assist the Court in its preparation, the Court requests that counsel confer and submit, by Friday, October 15, 2021, a joint letter previewing in helpful detail the upcoming hearing. In addition to setting out the sequence of witness examinations following opening statements, the Court would benefit from an overview of the anticipated areas as to which each witness will testify. In the event that counsel envision introducing exhibits beyond those filed alongside counsels' prior submissions as to remedial plans, the Court requests that each side submit two binders containing such exhibits.

SO ORDERED.

A handwritten signature in cursive script, reading "Paul A. Engelmayer", written in black ink.
